PROCEEDINGS OF IFAC EVENTS1. Third IFAC Congress London

Orders for the following Congress literature should be sent to: Sale of Publications, The Institution of Mechanical Engineers, 1 Birdcage Walk, Westminster, London S.W.1, England.

1. Book of 289 Congress Paper Abstracts in English, French, German or Russian
\$ 5.00 / £ 1.16.0d.
2. 10 Survey Papers
\$ 10.00 / £ 3.12.0d.
3. Set of Preprints (49 Technical Sessions, and Informal Discussion Sessions)
\$ 50.00 / £ 18.0.0d.
4. Volume of Discussions and Authors' Replies etc.
\$ 15.00 / £ 5.8.0d.
5. Complete Set of Proceedings, including Items 1 to 4 above, etc. (Bound)
\$ 80.00 / £ 28.16.0d.

2. IFAC/IFIP Symposium on Microminiaturization in Automatic Control Equipment and in Digital Computers, Munich

The Proceedings are now available for sale at DM 100,---. The volume includes 824 pages, 530 illustrations and 28 tables. Publisher: R. Oldenbourg Verlag, München 8, Rosenheimer Str. 145.

3. First IFAC Congress, Moscow 1960

Those papers of the First IFAC Congress Moscow which were felt to be of a general scope of interest have been grouped together and published in separate volumes by Butterworths & Co., 88 Kingsway, London W.C. 2, UK. The following volumes are now available for sale:

- Automation in the Chemical, Oil and Metallurgical Industries
price 32.s. 6d.
- Pneumatic Components and Computing Devices for Control Systems,
price 21s.
- Theory of Continuous Linear Control Systems, price 40s.
- Theory of Continuous Non-Linear Control Systems, price 27s.6d.
- Theory of Control Systems using Discrete Information, price 42s.
- The Theory of Optimal Control, price 21s.

XVIIth INTERNATIONAL ASTRONAUTICAL CONGRESS

The Congress will be held in Madrid from 9 - 16 October, 1966. In addition to the technical sessions and the plenary meetings of the International Astronautical Federation, the programme will include the Second Lunar International Laboratory Symposium on Life Sciences Research and Lunar Medicine, organized by the International Academy of Astronautics and the IXth Colloquium on the Law of Outer Space of the International Institute of Space Law. Inquiries: International Astronautical Federation, 250 Rue Saint Jacques, Paris 5, France.

1967 JOINT AUTOMATIC CONTROL CONFERENCE

The Conference will be held in Philadelphia, June 28, 29 and 30, 1967. Papers describing significant contributions in control applications, components, systems and theory are invited. Individuals wishing to offer a paper should soonest contact the JACC 67 program chairman: Gary K.L. Chien, IBM Corp., 100 Westchester Ave., White Plains, N.Y. 10604, USA.

5TH INTERNATIONAL CONGRESS OF ENGINEERS - FEANI

The European Federation of National Associations of Engineers (FEANI) will hold its 5th International Congress of Engineers in Athens, Greece, at the Hilton Hotel from May 7 - 12, 1967. The Congress has a general theme "The Engineer and Social and Economic Progress" and will consider the present-day problems of the European engineer, who, conscious of the importance of his role in this progress, must adapt his activities and his training to the new demands of our age. Interested parties should contact the Organizing Committee, 4 Karageorgi Servias St., P.O. Box 673, Athens, Greece, as soon as possible to ask for registration forms, as for those who register prior to December 31, 1966 the fee will be \$ 10, which sum covers participation in the meetings as well as all publications issued before, during and after the Congress. There may be an increase of fee after that date.

5th INTERNATIONAL CONGRESS ON CYBERNETICS

The International Association for Cybernetics will hold its 5th Congress in Namur, Belgium, from September 11 - 15, 1967. The following subjects will be dealt with: Principles and methods of Cybernetics; Semantic machines; Automation: technical aspects; Automation: economic and social aspects; Cybernetics and life. Prospective authors of papers are requested to submit title and summary of their papers not later than January 1, 1967 to the

Association Internationale de Cybernétique
Secrétariat
Palais des Expositions, Place André Rijckmans
Namur, Belgique.
